MEET OUR NEIGHBORS

From Left to right

Cree, Lily ,and Sharon

This month the Club neighbor is Sharon Shaheen. Sharon grew up in De Quincy, Louisiana. A small town in western Louisiana. She studied piano and received a bachelor's degree at the University of North Texas College of Music, in Denton. After graduation she traveled around the Southwest looking for a town she could make a living as a musician. She settled in Santa Fe. In the late

80's and the 90's she was in a popular band called Funktuation, which played dance music in clubs around town. She decided she needed a dependable profession. She attended law school at UNM where earned a law degree. She now is an attorney at Montgomery and Andrews Law Firm specializing in natural resources, and oil and gas law. Her favorite pastimes are golf and cooking. She has a daughter, Cree, and granddaughter, Lily, who live with her. Her son also lives in Santa Fe. Raising her children is her most important accomplishment. Her motto is "all things in moderation".
