DINNER AND A LECTURE

Coming this Fall, we are planning on doing a series of dinners with a lecture after the meal. The dinner will be prepared by a guest chef and after the meal there will be a guest speaker opining on an interesting topic in the newly renovated club house. Look for more details in future club news letters.

WHAT DO YOU WANT TO DO ?

We want to hear your ideas on what kinds of extra tennis activities you're interested in having in the renovated club house when it opens this fall. Are you interested in: a book club, chess club, board game night? Send an email to club@santafetennis.net and let us know your interest and suggestions. We are thinking about keeping the swimming pool open year round, would you be interested in a winter pool membership?

CLUB WEBSITE UPDATE

We are working to make the club website more useful for members. Soon members will be able to make a court reservation, sign up for a tennis clinic, and find players to fill in games, all of this from your own computer. We are planning to have these website functions available by mid August. Look for full details in next months news letter. Visit the club website at santafetennis.net.

NEW HOURS FOR THE GRILL

Beginning July 1st, the grill will be open from 2pm to 6pm and will be closed Sundays.
