Club members are cordially invited to attend our first Soiree Musicale, on Wednesday, February 13 at 5:40 PM in the clubhouse.

The Soiree Musicale will feature a more casual atmosphere, where club members can mingle and enjoy the buffet and live entertainment. This is a great opportunity to network with other players, and newcomers are especially encouraged to attend.

Live music will be provided by the Santa Fe Ukulele & Social Club (SFUSC), a locally-based “group of dedicated Ukulele players with an aim for fellowship and song”. The ensemble meets weekly for jam and play sessions, and is open to all levels of ukulele players within the Santa Fe area.

Most notably, the Ukulele Club is preparing for their upcoming performance at the Lensic Performing Arts Center in Santa Fe. On March 24, the SFUSC will be the opening act for the internationally-renown Ukulele Orchestra of Great Britain, which will be touring the continental United States this coming Spring.

Consequently, Santa Fe Tennis & Swim Club members attending the dinner will be receiving a sneak-peek preview of the Ukulele Club’s opening performance!

For dinner, Chef Tim will be preparing a buffet of New Mexican Cuisine.

ROUND THREE OF BLOCK TIME STARTING SOON “THE WINDY SESSION”

Due to popular demand, the Club is starting another round of block time on Monday, February 18.

Club members can apply now through February 14. Draws will be posted on the clubhouse bulletin board and emailed to membership no later than February 15.

Applications can be picked up at the front desk or printed from the email, which went out January 30.

BUBBLE ETIQUETTE

Since Christmas Day, clearing snow has been an almost constant activity in the weekly maintenance here at the Club. Consequently, the significantly higher amounts of precipitation this winter have led to significantly higher bubble usage.

To keep things running smoothly, we ask club members to follow proper bubble etiquette, out of respect for their fellow members.

For starters, please promptly enter and exit the bubble at your scheduled times. Courts are scheduled back to back, more often than not, and staying over or entering early cuts

into someone else's time and money. Repeat offenders could incur a fine. The club will be installing a digital clock in the bubble to help facilitate timekeeping.

Secondly, for your safety, do not attempt to adjust the temperature in the bubble or touch the generator equipment. Instead, please call the front desk for temperature adjustments or any other needs, and we will take care of it immediately.

We are here to serve you, and want to make your experience at Santa Fe Tennis & Swim Club a positive one. Thank you for doing your part to maintain a friendly, respectful atmosphere at our Club.

CHEF TIM'S FRESH HOME-BAKED BREADS

Chef Tim's fresh baked breads are now available in the clubhouse! Samples are available daily upon request.
